

Cell

```
graph TD; Cell[Cell] --> Thing1["Thing 1"]; Cell --> Thing2["Thing 2"];
```

The diagram consists of a blue rounded rectangle at the top containing the word 'Cell' in white. Two black arrows originate from the bottom center of this rectangle and point downwards and outwards to the words 'Thing 1' and 'Thing 2' respectively. The words are in a large, bold, black sans-serif font.

“Thing 1”

“Thing 2”
